TRASH MONSTER LOG

Sort Your Waste For Monster Parts!

Have You Faced Your Trash Monster?

Every day, we unknowingly create 4.9 pounds of trash per person. It's like a secret world of trash right under our noses! Track your trash this week to find out what trash is lurking around you and to create the best and scariest trash monster we've seen yet!

How To Properly Record Your Data Findings:

1. Track the trash you create and keep a log of the trash items that you think may make great monster parts.
2. Write where you found or created this trash
3. Analyze the trash items to decide if it can be reused, reduced or recycled
4. Write down what parts of the trash item you are left with and come up with ideas on how you can use them to build your trash monster!
